### Do you have balloon wires for a ceiling install?

Yes, we have 3 balloon wires for a ceiling install - to really make your event POP!

### Is there anything else you require from me before the event?

a week or two before the event we will send you an event form where you'll be asked for final numbers, other vendors you are using, a mockup of the backdrop your event stylist has sent you (if you have hired an event stylist) and anything else that YOU need from us. Once this has been received we'll send you a floor plan to make sure every vendor has their own station in the venue to set up.
